

## OUR MISSION

The Maldon Neighbourhood Centre is a place for social connection and life-long learning enabling community wellbeing.

## OUR VISION

We are an active focal point for a connected, inclusive and sustainable community.

## OUR VALUES

Respect                                  Partnerships  
Inclusivity                                Adaptation  
Active participation                    Environmental responsibility  
Listening and learning

## **MULTI-YEAR GOAL: Build inclusive community engagement and social connections by strengthening partnerships & advocacy.**

- Improve our building to facilitate gatherings and activities
- Build a more inclusive program of activities which reaches a wider audience
- Implement communications and engagement strategy
- Connect with local groups and networks to build partnerships

<b>Year 1 – Plan and prepare</b>	
	Plan & finance building extensions – community and stakeholder consultation and involvement
	Map current members and participants to understand who might miss out.
	Volunteers and staff PD to increase inclusivity

	Re-start printed newsletters
	Website development
	Develop partnership plan; joint projects, Networks
<b>Year 2 – Investigate, review and implement</b>	
	Undertake building works
	Investigate innovative/new delivery modes to be more inclusive
	Review communications and engagement strategy
	Build partnerships
<b>Year 3 – Finalise and evaluate</b>	
	Finalise building works
	Test and trial new practices
	Strengthen partnerships
